At Selene Interiors, we are committed to creating your dream space as seamless and stress-free as possible.

One-Off Consultation Overview:

Are you planning on redecorating your home but need help figuring out where to start? Or do you have a clear vision of what you want but would like some help putting it together? If so, our service is perfect for you! We offer personalized advice and direction tailored to your unique needs.

During our two-hour consultation, we'll explore your style and preferences, allowing us to provide creative and practical solutions that fit your budget. We can help you with everything from overall concepts to furniture layout, art placement, paint, room functionality, styling, colour consultancy, and wall coverings.

This is your opportunity to ask any questions and receive expert guidance. After the consultation, you'll receive a detailed PDF document summarizing all of the suggestions discussed, which you can refer to and action in your own time.

The investment for this service is \$449 and is conducted in person in your home.
